

TRAINING CLASSES

*Are you prepared to assist
a victim experiencing major
blood loss?*

Non-medical bystanders can help save lives by providing immediate bleeding control principles and aid until first responders arrive. **Stop the Bleed** is a **FREE** class offered by Valleywise Health Trauma Services. The 2-hour long class is a combination of lectures and hands-on training on wound packing and tourniquet use to train, equip and empower the bystander in the critical first minutes after a trauma injury that causes bleeding.

EACH PARTICIPANT RECEIVES:

- Professional FREE hands-on training on blood loss techniques
- Lecture by expert in the field
- Information on how to obtain bleeding control kits

Upcoming Training:

Date: Saturday July 31, 2021

Time: 10:00-noon

Location: Greer Fire District Station #2 -Training Room
38974 Hyw 373
